

# CITY OF **COLLEGE PARK**

DEPARTMENT OF PUBLIC WORKS

## **Leaf Collection Plan FY23**

TO: Kenneth Young, City Manager  
FROM: Robert L. Marsili, Jr. Director of Public Works  
DATE: October 11, 2022  
SUBJECT: Fall Curbside Leaf Collection - Fiscal Year 2023

Fall curbside leaf collection is scheduled to begin on Monday, October 31, 2022, and end on January 13, 2023. Leaf collection may continue further into January depending on weather conditions during and after the scheduled collection period.

Each of the eight service areas will be scheduled for collection a minimum of four times. Area SA-2 requires special scheduling to coordinate collection with the University of Maryland scheduled breaks.

Service Area	Crew Work Days per Collection Fall 2021 (FY22) Data	Cubic Yards Collected Fall 2021 (FY22)
SA-1	10	656.25
SA-2	9	231.25
SA-3	9	437.50
SA-4	8	443.75
SA-5	11	975.00
SA-6	8	431.25
SA-7	7	393.75
SA-8	10	481.25
<b>Total:</b>	<b>Last Season (FY2022) 48 Days on Route</b>	<b>4,050.00</b>

FY23 curbside fall leaf collection is scheduled over 49 workdays. More than one service area may be scheduled for collection on a given day.

The schedule is based on average seasonal weather. Unpredictable weather conditions will affect the planned schedule and will likely warrant schedule revisions; therefore, only the November 2022 calendar is included in the Leaf Collection Plan. The schedule will be updated weekly on Friday afternoons and revisions will be posted on the City website. Schedule revisions will also be provided to office staff at City Hall and Davis Hall who answers incoming telephone calls. A tentative December and January collection calendar is developed; however, it will be updated depending on any changes and posted prior to the Thanksgiving weekend.

Information regarding leaf collection regulations are listed on the City website and is included in the Resident Guide. Leaf collection calendars will be posted on the City website, and updated weekly. Prior to the scheduled collection time, signs will be posted in neighborhoods indicating when collections are scheduled. Residents are advised to avoid mixing materials such as bamboo, vines, metal, rocks, glass and plastics with leaves set out for curbside collection. These materials damage the leaf machines and disrupt service.

## **LEAF COLLECTION EQUIPMENT**

A test run of the leaf collection equipment will be made in late October to train and refresh crews using the machinery.

FLEET UNIT NUMBER	TYPE
335	Chevy C6500 Dump Truck
336	Chevy C6500 Dump Truck
348	2013 Freightliner Dump Truck
349	2013 Freightliner Dump Truck
